## A UNIQUE INNOVATION

At Let's Pause we repurpose natural materials that go unused, giving a twist to the concept of sustainability. For this collection, we've sourced a flexible, surprisingly translucent leaf that can be used to create exquisite and delicate shapes, such as the Let's Pause COURO collection of lamps: **sculptures of light** that add a natural, elegant touch to any contemporary space.
The recent addition of new pieces to the collection is an invitation to extend COURO's **magical and luxurious wild style** to different rooms of the home.

THE COCOA COLOUR, WHICH LIGHTENS AND SOFTENS WHEN LIT, IS COUPLED WITH SIMPLE, ORGANIC AESTHETICS TO CREATE A SOPHISTICATED PIECE PACKED WITH PERSONALITY.

# OUR PASSION FOR UPCYCLING IS ALWAYS EVOLVING

The **COURO collection by Let's Pause** has been steadily and organically growing, following a natural creative cycle, just like the leaves of the American oil palm tree from which it is made: leaves that bud, grow, fall off and are transformed by the skilful hands of our designer **Ceci Ferrero**. Ferrero uses the leaves to create the lampshade, steam-moulding and hand-sewing them together to craft lamps that have a velvety, soft and exquisitely gorgeous feel.

THIS COLLECTION EXPLORES A RANGE OF LAMPSHADE SHADES TO FIT A VARIETY OF INTERIOR DESIGN STYLES, OFFERING LIGHTING SOLUTIONS FOR ANY SPACE. COURO OPENS THE DOOR TO CREATIVITY, EMBRACING THE WILDNESS OF NATURE TO ENHANCE CONTEMPORARY SPACES.
