PISTE NOIRE

The Courant Sauvage's team is pleased to invite you around to discover their new collection during the international show Maison&Objet, in September 2022 in Paris Villepinte.

For this occasion, the collection • Piste Noire • wants to surprise you. It stands for a concept emancipating from the classic codes of outdoor products.

Over five days, our new designs will be the translation of all the creativity and aesthetic possibilities that our range of products offers.

Looking forward to meeting you!

Tiphanie & Loïc
