

EBRU

Maison et Objet January 2017

Let us take you on a journey

EBRU since 1977.... over 35 years ago, Mr & Mrs Gunaydin started this beautiful family business. The Persian rugs they sold from their home are nowadays still part of the versatile collections that EBRU offer worldwide.

In two generations, EBRU grew from a sole proprietorship to a dynamic world player with Passion, Quality and Service as key values.

Travel through the EBRU press kit and discover 35 years of passion for rugs. You will see the most innovative carpets developed for you by EBRU.

Pioneering in the field of materials, progressive designs and challenging colours make sure that EBRU will continue to surprise you in the future.

With kind regards,

Fam Gunaydin

&

Team EBRU

Luxorius Handmade Carpets

You will find a wide range of collections at EBRU , we love to blend tradition with innovation and creativity.

Our products are made out of the best materials such as: wool, silk, cotton and combinations of these materials.

All EBRU carpets are handmade. To make sure that the conditions are optimal and that sufficient knowledge is present, we produce EBRU carpets in different parts of the world.

Our EBRU carpets are made for EBRU customers, in addition to the best quality, we continue to innovate by developing new designs and discovering new possibilities in terms of material and colour use.

100% Handmade, 100% Quality
