RALPH M. awarded EPV (Entreprise du Patrimoine Vivant) label

RALPH M. is proud to announce that the brand has just been awarded the Entreprise du

Patrimoine Vivant (EPV) label, a national distinction that recognises excellence in French craftsmanship.

For three generations, in the heart of Anjou, RALPH M. has cultivated the art of precision, meticulous detail and artisanal manufacturing.

In its workshops, each piece of furniture is designed and crafted by hand, with passion and high standards.

This label celebrates the dedication of the RALPH M. teams, the transmission of its craftsmanship, and the trust of its customers. It is an important milestone, faithful to the vision of high-end, sustainable and deeply human furniture.
