Sélection windows ESPACE RETAIL MAISON&OBJET JAN. 2017

The new brand KiÖp&Charly, for its first participation at Maison&Objet PARIS has been selected for participating at the **ESPACE RETAIL OF HALL 6**. (F114/6113)

KIÖP&CHARLY is an offbeat, poetic, made in France, eco-friendly and supportive brand of textile design, accessories and interior decoration items

Carole Guillen, the founder and graphic designer of the brand has imagined a collection to give pep's to the interior! Cushion covers, accessories for animals, napkins, tablecloth, mugs, candles, notebooks, lampshades and wallpapers in limited series. The recipe of Carole Guillen, brand's designer : humour flakes, sweet and offbeat's dose and arty sauce! The brand is committed to highlight the expertise and quality of French craftsmanship, the ecoresponsible process and the sustainable development.

L'ESPACE RETAIL presents the new trends from around the world, bringing them back to retailers so that they can get inspired. These windows will set a selection of new items from the exhibitor's collections

Cook+Design – Easy Living – Fashion – Beloved – Kids – exhibited in L'Espace Retail window display through a selection of representative products selected by F.Delclaux – Agence Un Nouvel Air

The selected products of the brands are eco-friendly, printed and made in France

Trendy mug "Tropical" in ceramic to drink coffee or tea and can become a decoration item. Printed and made in France

Fragranced candle Vanilla " Flamingo" ecofriendly, made in France, Rapeseed wax-natural, biodegradable, Lead-free cotton wicks, Grasse perfume
