KiÖp&Charly propose to professionals exclusive and custom creations!

Conception rédaction-Graphisme-Set Design

The new brand KiÖp&Charly, for its first participation at Maison&Objet PARIS present its new collection HALL 6 H64 from 20th to 24 January 2017

KIÖP&CHARLY is an offbeat, poetic, made in France, eco-friendly and supportive brand of textile design, accessories and interior decoration items

Carole Guillen, the founder and graphic designer of the brand has imagined a collection to give pep's to the interior! Cushion covers, accessories for animals, napkins, tablecloth, mugs, candles, notebooks, lampshades and wallpapers in limited series. The recipe of Carole Guillen, brand's designer : humour flakes, sweet and offbeat's dose and arty sauce! The brand is committed to highlight the expertise and quality of French craftsmanship, the ecoresponsible process and the sustainable development.

In addition to its own collections, KiÖp & Charly propose to professionals with its own graphic studio custom creations for architects, interior designer, landscape architect, decorators, stylists, publishing agencies, hotels....

Carole Guillen can imagine creations on many medium and wish to develop collaborations with set design and copywriting services

Meet KiÖp&Charly HALL 6 Stand H64 in the midst of the Object'/' sector FASHION
