weekend essix®

In a young and graphic universe, Essix Weekend line's designs with Boho and Zahara blue are an invitation to daydream. Small geometric or hound's tooth check match feathers and "waves" in pink, melon and pebble shades.

Atmosphere essix®

The novelties of the Essix Atmosphere line offer two revisited classics. The Emotions floral design is made up of a very pretty cluster of pinks in spicy hues and shades of greens. A micro-pattern combines with the flowers in order to give it a more contemporary look. The Cadence design is an Indian inspired pattern in a meringue, midnight blue and jade palette.
