

TOULEMONDE BOCHART presents his new collection

OUTDOOR SUMMER 2017

For this summer, **TOULEMONDE BOCHART** puts the emphasis at the **OUTDOOR**. Rugs very resistant to water and UV, 100% polypropylene, which looks almost like wool and offers exceptional performance.

DECK – What better than a water and UV resistant rug or carpet that can be washed down with a sponge, put in the kitchen or on sun deck, as in mountainside settlements. Available in 3 colours : Basalt, Beige et Gris and 3 sizes : 5'6"x7'10"- 6'7"x9'10"- 8'2"x11'5"

NATTE – A carpet with a new, very warm colouring, which combines its polypropylene braids to form matching brown, grey and gold colours. Available in 4 colours : Brun-Or, Ciel, Rose, Vert and 3 sizes : 4'7"x6'7"- 5'6"x7'10"- 6'7"x9'10"

Discover the **TORSADE**, a carpet for the outside that can be washed down with a sponge. Available in 2 colours : Gris and Anthracite and 3 sizes : 5'6"x7'10"- 6'7"x9'10"- 8'2"x11'5"

The new polypropylene **POOL** floor covering imitates the traditional sisal weave thereby providing a very natural looking carpet with exceptional resistance to wear and tear and for those exceptional jobs.

POOL

The cushions too will help discover the joys of the outside world. The new **JAVA** (available in 2 colours Vert and Bleu and 2 sizes 1'0"x2'44"- 1'8"x1'8") and **BORNÉO** (available in 3 colours Acier, Sable, Bleu and 1 size 1'8"x1'8"). The collections offer sober colouring in plain or geometric weaves to brighten up any patios or swimming pools.
