

Minimal Print

The premium Dutch home & living brand Maison Deux introduces a series of minimalist artworks: Minimal Prints. Pia Weinberg reshaped some familiar classics, such as the flamingo and the double decker, into minimalist artworks.

Minimal Prints

By using one-line thickness, in which Pia Weinberg varies in different lengths and positions, she created three series of well-known classis: Big Boys (fire truck, garbage truck, excavator), Birds (flamingo, cockatoo, green parrot) and Movers (double decker, limousine, yellow cab).

The artworks are printed in the Netherlands on FSC-certified fine art paper. The print size is 30 x 40 cm, finished with a matching passe-partout and sold in a gift packaging.

"Art for kids is important to inspire creative minds. I want to stimulate kids to look at things in different ways. Nothing is what it seems." - Maison Deux, Pia Weinberg

Exclusive edition

In addition to the three series, Pia Weinberg designed an exclusive Minimal Print: the unicorn. The unicorn artwork is signed by the designer and exclusively available at maisondeux.com.

Availability

The Minimal Prints are now available at maisondeux.com from € 29 and soon available at various partners such as Smallable in Paris and all Hutspot locations.
