

Iconic Moon

The Home & Living brand *Maison Deux* introduces a new member to the Iconic Rockers family: the Iconic Moon. The new icon, handcrafted from solid French oak and upholstered with 100% wool by *Kvadrat*, is ready to rock between the stars.

Iconic Moon

The new Iconic Moon, designed by Pia Weinberg, is available in two colors: 'Black' and 'Stardust'. The high quality fabric, designed by Finn Sködt for *Kvadrat*, emphasizes the silhouette of the icon.

Iconic Rockers: the new generation of rocking horses.

In 2016 Maison Deux launched the Iconic Rockers: the new generation of rocking horses. A design icon for kids and their parents. In addition to the Iconic Cloud, the Iconic Bowler Hat and the Iconic Water Melon, the family now includes a fourth member: the Iconic Moon.

The Iconic Rockers are made in the Netherlands of solid French oak and upholstered with a durable fabric made from 100% wool by *Kvadrat*.

Rocking the Iconics emphasizes your child's coordination and balance skills. It's also the foundation for imaginative play. "*Who said a rocking horse has to be an actual horse?*" says Pia Weinberg, creative director Maison Deux.

Availability

The 'Iconic Rockers' are available from € 479 via maisondeux.com and at several partners, such as Archive Store in Amsterdam, colette in Paris or KinderMODERN NYC. The complete collection of Maison Deux consists of furniture, home accessories & toys for both kids and parents.
