

Neo Legend unveils his novelties at Maison & Objet, stand C210, hall 7 « Now » !

• The POCKET ARCADE :

The arcade reduced to its essential.

Imagine all the mythical arcade games, gathered in a cabinet that simply holds on your desk.

Thanks to Neo Legend's POCKET, relive the magic of "retro gaming". This high quality device is equipped with the best components of the product range, integrating a dedicated system of 680 arcade games of the 80s and 90s, for the greatest pleasure of all players and nostalgic people.

Put it on, plug it in, let's play !

• The NEO VINTAGE :

Interaction, design and more. Imagine all the mythical games of an arcade room, gathered in a wonder of futuristic retro design, designed by « Redhood Agency».

The NEO VINTAGE takes you back in time, retraces the whole history of the video game, with evocative lines of the past, beautifully timeless.

High manufacturing quality, use of high-grade materials, components selected on demanding specifications, and Wide Stereo Sound®, 2.1 CLASS D hifi system designed by «La Boite Concept»

Communiqué de Presse

• The RETRO ARKADOR :

The arcade machine of YOUR dreams.

The RETRO ARKADOR allows your imagination to take control : paint, graph and stick ! Get in the amazing arcade universe according to your vision.

Dress your cabinet as you want et live this journey through video games ages. His blank and smooth area will allow you to put stickers provided with the cabinet or even from your own collection !

The RETRO ARKADOR is also equipped with a system of 680 arcade games from 80s and 90s for your greatest pleasure.

• Win a POCKET ARCADE :

The POCKET has been chosen by MOM to be part of the greatest range of products from Maison&Objet.

These products will be scened by Philippe Nigro in the opening galery of Hall 6.

For his first anniversary, MOM plans a daily draw to win the selected objects : you will be able to try your luck to win a POCKET Tuesday 9th, September. Rendez-vous on the MOM area before 05 PM to participate !
