Made in France

FALL WINTER 2017 2018

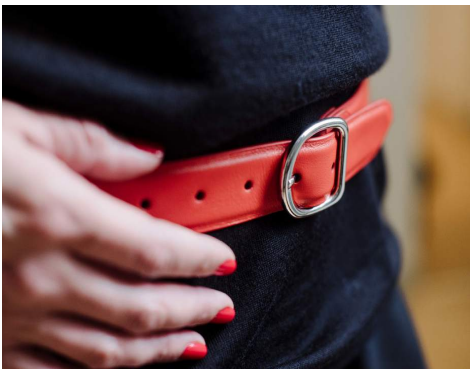

EVESOME French boho chic brand of luxury accessories made in France

EVESOME accessories in linen & cashmere, merinos, tweed, Liberty fabric and leather are manufactured with great care in France

Far from the mass market products, each garment, stole, scarf, belt, headband or EVESOME bag has been designed to provide true comfort in everyday life. The exceptional quality of materials and design make them timeless products. The color choice of the designer, Eve Rothiacob, reflects the trends of the season and the taste of the moment.
