

This season OMY launches their very own do-it-yourself products with their new «Creative Kits» collection: easy, fun and ready-to-use activities for the entire family.

MAGIC PLASTIC

Step back into childhood with these shrinkable activities that are making a comeback. The brands iconic characters can be cut-out, colored and put in the oven to make fun and personalized key chains, jewelry and charms.

Music, Amour and Christmas 5,00€ per pack
