a great  
first  
impre-  
ssion”***

First impressions are the most important. Everybody knows that, so first it's crucial you make a great one. Leave your guests open-mouthed at first sight! Recalling two beautiful golden wings like Christmas little angels, Luxxu, with its new furniture collection, brings a mesmerizing and strong piece. Scarp Console's insurgent gold plated brass legs and Nero Marquina marble brings out the strongest presence in modern projects. The powerful strength of this console leaps any room into a deep sense of robustly dynamic.

# DINING ROOM

Dining room has to be capable of combining functionality with aesthetics. To complement this division and if you are thinking about where you can sit down your guests, Essential Home has a relaxed and modern style choice. Ellen is a sophisticated armchair, featuring a modern tub design. Built on top of a polished brass base, this accent chair is upholstered in a green lustrous velvet and its curvilinear open back contrasts with a rectangular shape on the front. It has a non-swivel cylindrical seat perfect for those nostalgic retro lovers, who love a mix between contemporary design and mid-century modern style.

And because Christmas is synonymous of seating around the table and sharing a meal, Koket brings us Ribbon Dining Table, a spectacular piece dressed in gold and black. The provocative twists and turns of the base are delicately adorned in gleaming metal leaf, mimicking the sheen of a girl's hair ribbon. The luxury dining table's playful base is topped with a pristine glass rectangle top. Perfect for your Christmas Eve!

# BATHROOM

There is no Christmas if there are no Christmas decorations. Even in the bathroom, where you can take the opportunity to retouch your make-up after a great Christmas dinner. The bathroom may be the smallest room in the house but that doesn't mean it can't have great style.

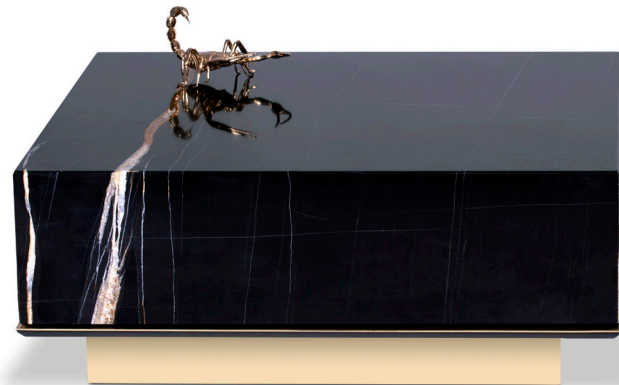

Made with pure love, this mirror by Maison Valentina is perfect to complement your bathroom décor this season. The Colosseum or Coliseum is also known as the Flavian Amphitheatre is an oval amphitheater in the centre of the city of Rome, Italy. With an elongated shape, the Colosseum Mirror has a fusion of modernistic and classical elements depicted in the golden arches which turn this into an exquisite design piece and a perfect accessory for a luxury bathroom.

# THE LIVING ROOM

This is the room you will want to put more effort in to make sure it combines comfort and elegance. After dinner, it's time to relax sharing an excellent and warm drink and open all presents. Make you guests feel comfortable!

Therefore, Brabbu features an elegant and lavishness sofa, perfect for this season. Some of the most impressive monuments of the Middle Ages, the medieval castles, can be found in Wales, often called the "Land of Castles". These private fortified residences were both offensive and defensive structures which provided control of the area immediately surrounding them.

Wales sofa was designed to provide the same feeling of protection in a living room set a pastel green velvet

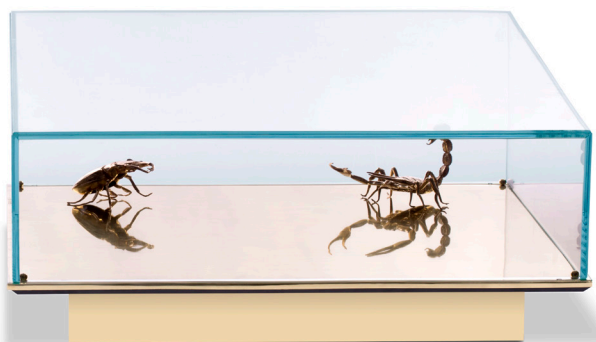

sofa, with curvy back and arms, base in vintage brass and polished golden nails that will enhance both modern and classic living room sets. This jewel toned sofa will be the comfort fortress of your living room set.

"Twinkle, twinkle little star". That could be the motto for this perfect piece, presented by Delightfull for this Christmas selection. Cannonball suspension lamp is the perfect explosion of luxury for your dining room. Inspired by the boldness of a cannonball, this lighting design will reinvent what mid-century design is. With its unique shape and handmade in brass, this exquisite lamp will give an elegant and sophisticated touch to your mid-century modern home. Absolutely perfect for a cozy and warm ambience. You definitely need this suspension lamp in your Christmas ambience!

## “ *Combining comfort and elegance* ”

Made of marble, brass and glass, this center table by Boca do Lobo will be huge success in your décor. Similar to the dramatic transformation and the sudden change in the animal's body structure, Metamorphosis Center Table experiences new unexpected design techniques, noble finishes through a meticulous artistic process. The center table is composed by two fragments, finished in mirror and noble marble and beautified by the presence of golden creatures that are prepared for their ultimate metamorphosis. And all we know how gold makes things more exciting!

## KID'S ROOM

**“  
Colorful,  
creative  
and cool  
”**

Kids' room should be colorful, creative and cool. They are Christmas joy! Following the motto, Circu comes in and shines with this fantastic piece in red color, giving it a pretty Christmas style. Children's brand rattles with a piece that will make the ideal gift for a kid. inspired by Disney movie "Planes", Sky Desk is the perfect combination for your Aviator inspired bedroom decoration. Bring a little aviation-inspired magic to the little pilot's bedroom. With a creative and playful design, the Sky Desk is the best addition for the little pilot's room. The decorative suitcases are storage compartments. Soar high above the clouds! Some kids are born to fly! Up, up and away!

It has never been so easy to have a luxurious and perfect Christmas! Merry Christmas!
