LUXXU'S MOST ICONIC PIECE

Reason number 1 is LUXXU's Empire Chandelier, an iconic piece that deserves a place in the spotlight in London. **Created from a glimpse of inspiration**, this extravagant chandelier is capable of transforming any space into a glamorous scenario full of personality.

LUXXU'S FIRST TABLE LAMP

LUXXU is going to London with a few novelties. One of them which takes us to reason number 2 is the Waterfall Table Lamp. The newest addition to the Waterfall Collection is an immersive piece made of the finest marble, brass and crystal. Being a table lamp it can incorporate the most varied ambiances, bringing a touch of refinement to each of them.

LUXXU'S MOST COMFORTABLE CHAIR

This armchair is fully handcrafted using only the best materials, giving it a luxury factor, while the soft materials, shape and colour give it a touch of comfort. Inspired by the noir movie scene, the Saboteur is a velvet armchair that brings the best of luxury and comfort together.

LUXXU'S MOST UNIQUE MIRROR

Made of the finest materials, this unique mirror inspired by the opulence of golden nuggets has the grace and the ability to create exclusive ambiances. Its geometric design resembling a shattered mirror is a stylish, and full of detail, piece for the most unique interiors.

LUXXU'S TIMELESS SIDE TABLE

All the pieces by the brand are gifted with a timeless style. However, there are those who have a special touch when it comes to timeless design. The Spear Side Table inspired by Ancient Rome is the perfect example of this. Blending toughness and elegance it's the perfect side table for any interior, from glam bedrooms to opulent living rooms.
