

the nice fleet beyond holidays

Inflatables are often ugly or fun, rarely pretty !
With its trendy patterns, inspired by travels, the nice fleet invites you to swim and chill, with style, with friends or family : XL swim rings and mattresses for the oldest, armrings and beach ball for kids.
Delicate colors and trendy watercolored patterns promises a poetic, modern and sunny trip.
Each item bears the name of a special destination : the tropical Bahia, the retro Stinson, Formentera and its good living , Tulum and all its blues, Bermudes and its pink beaches, Java and its traditionnal ikat.

With its pretty packagings, the nice fleet collection is the perfect gift for a warm and a kind summer.

All the products are made in a resisting PVC whose thickness was thought and adapted to each use.

To offer you all the guarantees of comfort and security, they have been tested by an independant lab to respect the European Union standards.

The nice fleet first collection is an hymn to the chic & cool ... Beyond holidays.
