---

Greek Terracotta Series

Designed by 101 Copenhagen Design House

Simple shapes made spectacular, these handcrafted floor vases exhibit artful antique texture and detailing, unique transferware patterns and a nature-inspired hand painted surface. Resembling the organic look of bark, these terracotta vases pay homage to traditional ancient pottery.

# folding the unfold

---

Unfold Table Series

Designed by 101 Copenhagen Design House

The Unfold Table series captures the decorative, gentle, graceful shapes and simultaneously serves as a structure and an ornament in itself.

# the tables are turned

---

So-Ho & Phantom Table Series

Designed by 101 Copenhagen Design House

Perfect as coffee or side-tables, the So-Ho and Phantom series has modern profiles with sophisticated and subtle design embedded in its expression.

# creating the right atmosphere

---

Sphere Ceramics Series

Designed by Kristian Sofus Hansen & Tommy Hyldahl

Adding the Sphere Bell table and Sphere trays to the successful Sphere series has fulfilled the tribute to the archetypical 1950's ceramic shapes and forms.

# new kid on the block

---

Block Ceramics Series

Designed by IOI Copenhagen Design House

Adding to the popular Mango Block Vase, we are proud to present the Block Ceramic series, celebrating a unique and unusual shape, surface and outlook.

# don't drop the soap!

---

Bath Soapstone Series

Designed by IOI Copenhagen Design House

With its natural warmth and soft appearance the soapstone is an obvious fit for any surrounding. Combined with our simple design it becomes a useful object for the bathroom and absolutely amazing at carrying your soap.

# work work work work...

---

Factory Metal Series

Designed by Nicolaj Friis Nøddesbo & Tommy Hyldahl

With a starting point in the asymmetrical geometry the Factory vases quickly became a symbol and shaping of an industrial period where iron making was a crucial part of the revolution.

The creative drive is centered in a fusion of the Scandinavian design tradition influenced by the timeless Japanese approach to material and techniques. The objects created reflects the symbioses of design traditions whilst also featuring unique embedded stories, symbols and associations expressed in a minimalist idiom. The design approach is notably holistic, the work process is dynamic and characterised by freedom of expression, which creates unique and timeless pieces.
