The Surfaces

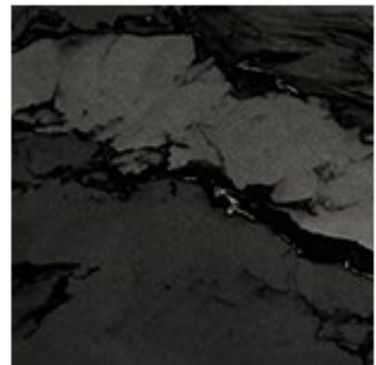

ABISM JELLYSIFH surface

The jellyfish's lines were integrated into this panel to provide a sensorial experience of freshness directly into a basic printing composition of black marble.

BLACK PARAMOUNT surface

The black marble's texture is on the basis of this printing which attempts to transform its own design bringing out all the natural shades and white reflections.

CRISTAL LAZARC surface

Cristal Larzac is inspired by the French desert. The Causse du Larzac is a limestone karst plateau in the south of the Massif Central, France.

AGATHA LOTUS surface

This art panel inspired by Agatha's mineral stone has a gathering of layers resembling the shape of the Lotus Flower, a plant that has a symbolism of purity, rebirth, and divinity in the Buddhism and Hinduism religions.

BLACK AGATHA surface

The Agatha mineral stone is behind the creation of this art panel. Agate is the banded form of the mineral Chalcedony, which is a microcrystalline variety of Quartz.

BRONZE RUST surface

The Bronze tones used in this art panel will turn any bathroom into a warmer and cozier place.

CROSS GREY surface

The crossing of different tones of gray, smoother or darker, gave birth this artistic art panel.

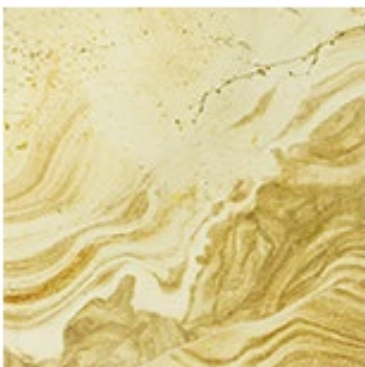

GOLD ONYX surface

Onyx was very popular with the ancient Greeks and Romans and inspired the creation of this artistic surface. Onyx is also the name of an excellent stone for releasing negative emotions and therefore brings good fortune and helps in recognizing personal strength.

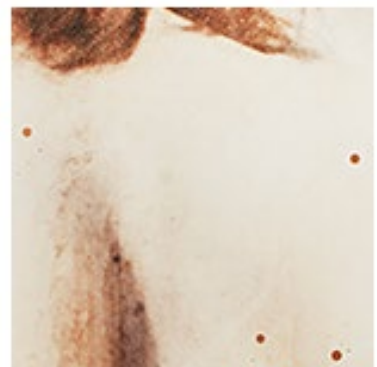

SMOKED HONEY surface

With its lighter tones, the Smoked Honey art panel will give a smooth yet elegant touch to any bathroom area.

SNOW HANNA surface

The Snow Hanna art panel depicts the delicate figure of a woman's back merged in a brown and white marble texture.
