THE CARACAL TILE COLLECTION FROM SORS.

SORS Gallery launches its new collection of precious clay tiles entirely handmade in Switzerland by artisans who perform meticulous works using traditional methods, eager to perform perfection. Available in more than twenty colors with different finishes for each one, it takes a single artisan two weeks to realize a single square meter of tiles.

Realizing exclusive and unique luxury interiors is the primary objective that the gallery strives to achieve by offering the best in exceptional quality architectural materials and design. These elegant tiles personalize your interior with a touch of luxury, offering unique finishes and bespoke ready-to-pose deliveries with full studio design support.

Available in nine standard unique shapes: Arabic, Diamond, Drops, Triangle, Square, Basic, Classic, Hexagon and Check, with a range of finishes that includes authentic gold, you also have the opportunity to let your imagination speak through exclusive designs by requesting bespoke tile shape and design motif options.
