Maison Valentina Brings
the Best of Bathroom Design
to Milan

A woman with long dark hair, wearing glasses and a red sleeveless top, is engaged in a conversation with a man in a white shirt. They are standing in a large, brightly lit exhibition hall with white pillars and a large, ornate chandelier hanging from the ceiling. The background is slightly blurred, showing other parts of the exhibition space.

Once again Maison Valentina will be present at the Hall 24 – Stand H01 in the 57th edition of the iSaloni 2018.

iSaloni 2018 will take place between 17-22 April. This event is composed by different exhibitions spread over the various pavilions in Rho Fiera Milano. Boasting more than 2,000 exhibitors, a display area of more than 200,000 square meters and thousands of new products premiered at the event, the Salone is the benchmark trade fair on an international level, attracting more than 343.602 visitors from as many as 165 countries. Also, this year theme is focus on the bathroom, where the International Bathroom Exhibition will be boasting the best of bathroom furniture, shower and sauna stalls, taps, jacuzzis and tiles.

In this year edition, we will present our ATO Collection, new mirrors and of course two of our most demand collections.

ATO COLLECTION

The **ATO (Assemble to Order)** collection is a luxury collection, constituted by sinks, taps, and surfaces, meaning that you are able to choose from different components adding the perfect touch to your project. This gives the possibility for homeowners to do a little makeover in their bathrooms instead of an extreme makeover. In this edition we introduce two new sinks to this amazing collection, as well our beautiful taps.

EDEN

vessel sink

Maison Valentina uses the highest quality materials and textures, giving them shapes through objects that create a cosmopolitan luxury environment, finding the finest example in this sink. Eden is inspired by the mystic behind the name. This sink represents a part of the tree of knowledge and the tale of the birth of desire.

DUORUM
vessel sink

The Duorum vessel sink is a unique piece made out of marble. To create it our designers inspired themselves in the majestic Douro Valley landscape, in Portugal, known for its beauty and fertile fields. Choose from three different types of marble: Nero Marquina, Carrara and Estremoz getting the luxury touch your project deserves.

ELEGANCE
three hole mixer tap

Elegance is a three hole mixer tap that fits perfectly on any countertop or sink. This piece available in many finishes will add your bathroom the elegance and glamour you deserve.

COOPER
mounting floor mixer tap

Copper is a mounting floor mixer that is perfect for any freestanding vessel sink. Its modernistic design will adorn your bathroom creation. This tap ability to provide water from any given location separates it from other offers.

A bathroom vanity setup featuring a large, round, black-framed mirror with gold studs around its perimeter. The mirror is mounted on a light-colored wall. Below the mirror is a vanity with a black marble top and a gold base with a scalloped, scale-like pattern. On the vanity, there are two dark, round containers, a reed diffuser, and a small vase with white flowers. Two gold cylindrical sconces are mounted on the wall, one on each side of the mirror. The floor is covered in a white and grey geometric tile pattern. A gold towel rack is visible on the left side of the vanity.

THE MIRRORS

Bathroom mirrors are a key finishing feature for any bathroom, no matter the size of your bathroom. A mirror will make space feel lighter and bigger, and our new fantastic mirrors will definitely elevate your bathroom to the next level.

TORTOISE

mirror

This unique mirror is inspired in the Tortoise's hard outer shell. It's made of high gloss black lacquered wood that contrasts with hexagonal Anthracite, Nero Marquina and Yellow Triano marble details. This glamorous pattern makes this piece easy to combine in different luxurious environments.

SAPPHIRE

mirror

Sapphire mirror gets its name from its resemblance to the blue precious stone: Sapphire. Made out of Cornered Polished Brass this mirror is a versatile piece for luxury bathrooms. It can be displayed in either vertical or horizontal orientation.

GLIMMER

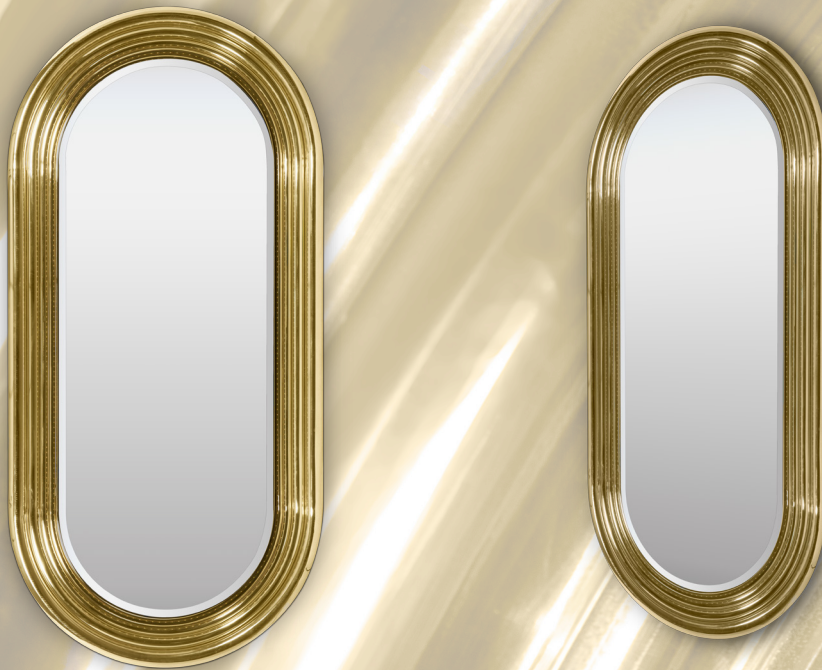

mirror

Glimmer Mirror, as its name states, adds to your project a faint and elegant light. Glimmer Mirror's subtle lines and crystal details are the result of a precise handcrafted process. A precious piece of art with eight brass details adorned with crystal appointments that elevates any environment. Luxury and glamour are surely granted.

COLOSSEUM
mirror

The Colosseum or Coliseum also known as the Flavian Amphitheatre is an oval amphitheater in the center of the city of Rome, Italy. With an elongated shape, the Colosseum mirror has a fusion of modernistic and classical elements depicted in the golden arches which turns this into an exquisite design piece and a perfect accessory for a luxury bathroom.

A luxury bathroom advertisement for the Newton Collection. The central focus is a white bathtub with a base made of numerous black and gold spheres, resembling bubbles. The tub is set against a dark, moody background with a mountain range. Two gold, cylindrical pendant lights hang from the ceiling. To the left, a green plant is visible, and to the right, a metal towel rack is mounted on the wall. The overall aesthetic is modern and sophisticated.

NEWTON COLLECTION

Defying the laws of physics, this futuristic collection represents an outstanding moment of inspiration. The black and golden spheres resemble a cluster of bubbles floating in a soaking bath. It's the perfect choice to get an intense and beautiful bathroom look!

NEWTON
bathtub

Newton is an outstanding moment of design inspiration. This bathtub features a single-slipper style shape, a timeless detail that conveys comfort. It has a distinctive curved lip, made out of gold plated casted iron, revealing a golden interior. The high-gloss black and gold lacquered spheres make the perfect combination to make this a sculptural and artistic piece.

NEWTON
washbasin

Newton is an organic shaped washbasin made out of casted aluminum spheres that merge to create a tabletop, providing a unique design approach to this bathroom decor piece. The spheres are finished with a high gloss black lacquer, contrasting with the cutter ones on the counter, finished in casted brass. It features an integrated round sink in polished brass for some golden accent. It is a true piece of art!

SYMPHONY COLLECTION

With a vision to understand the past and interpret it through cutting-edge technology and contemporary design, we have created this amazing collection inspired by music.

SYMPHONY
bathtub

This emotional cylindrical bathtub is inspired by music. The gold plated brass tubes give the needed touch of luxury, making the Symphony bathtub a piece of elevated design. The tub is made of white fiberglass giving it a clean look perfect for any luxury bathroom.

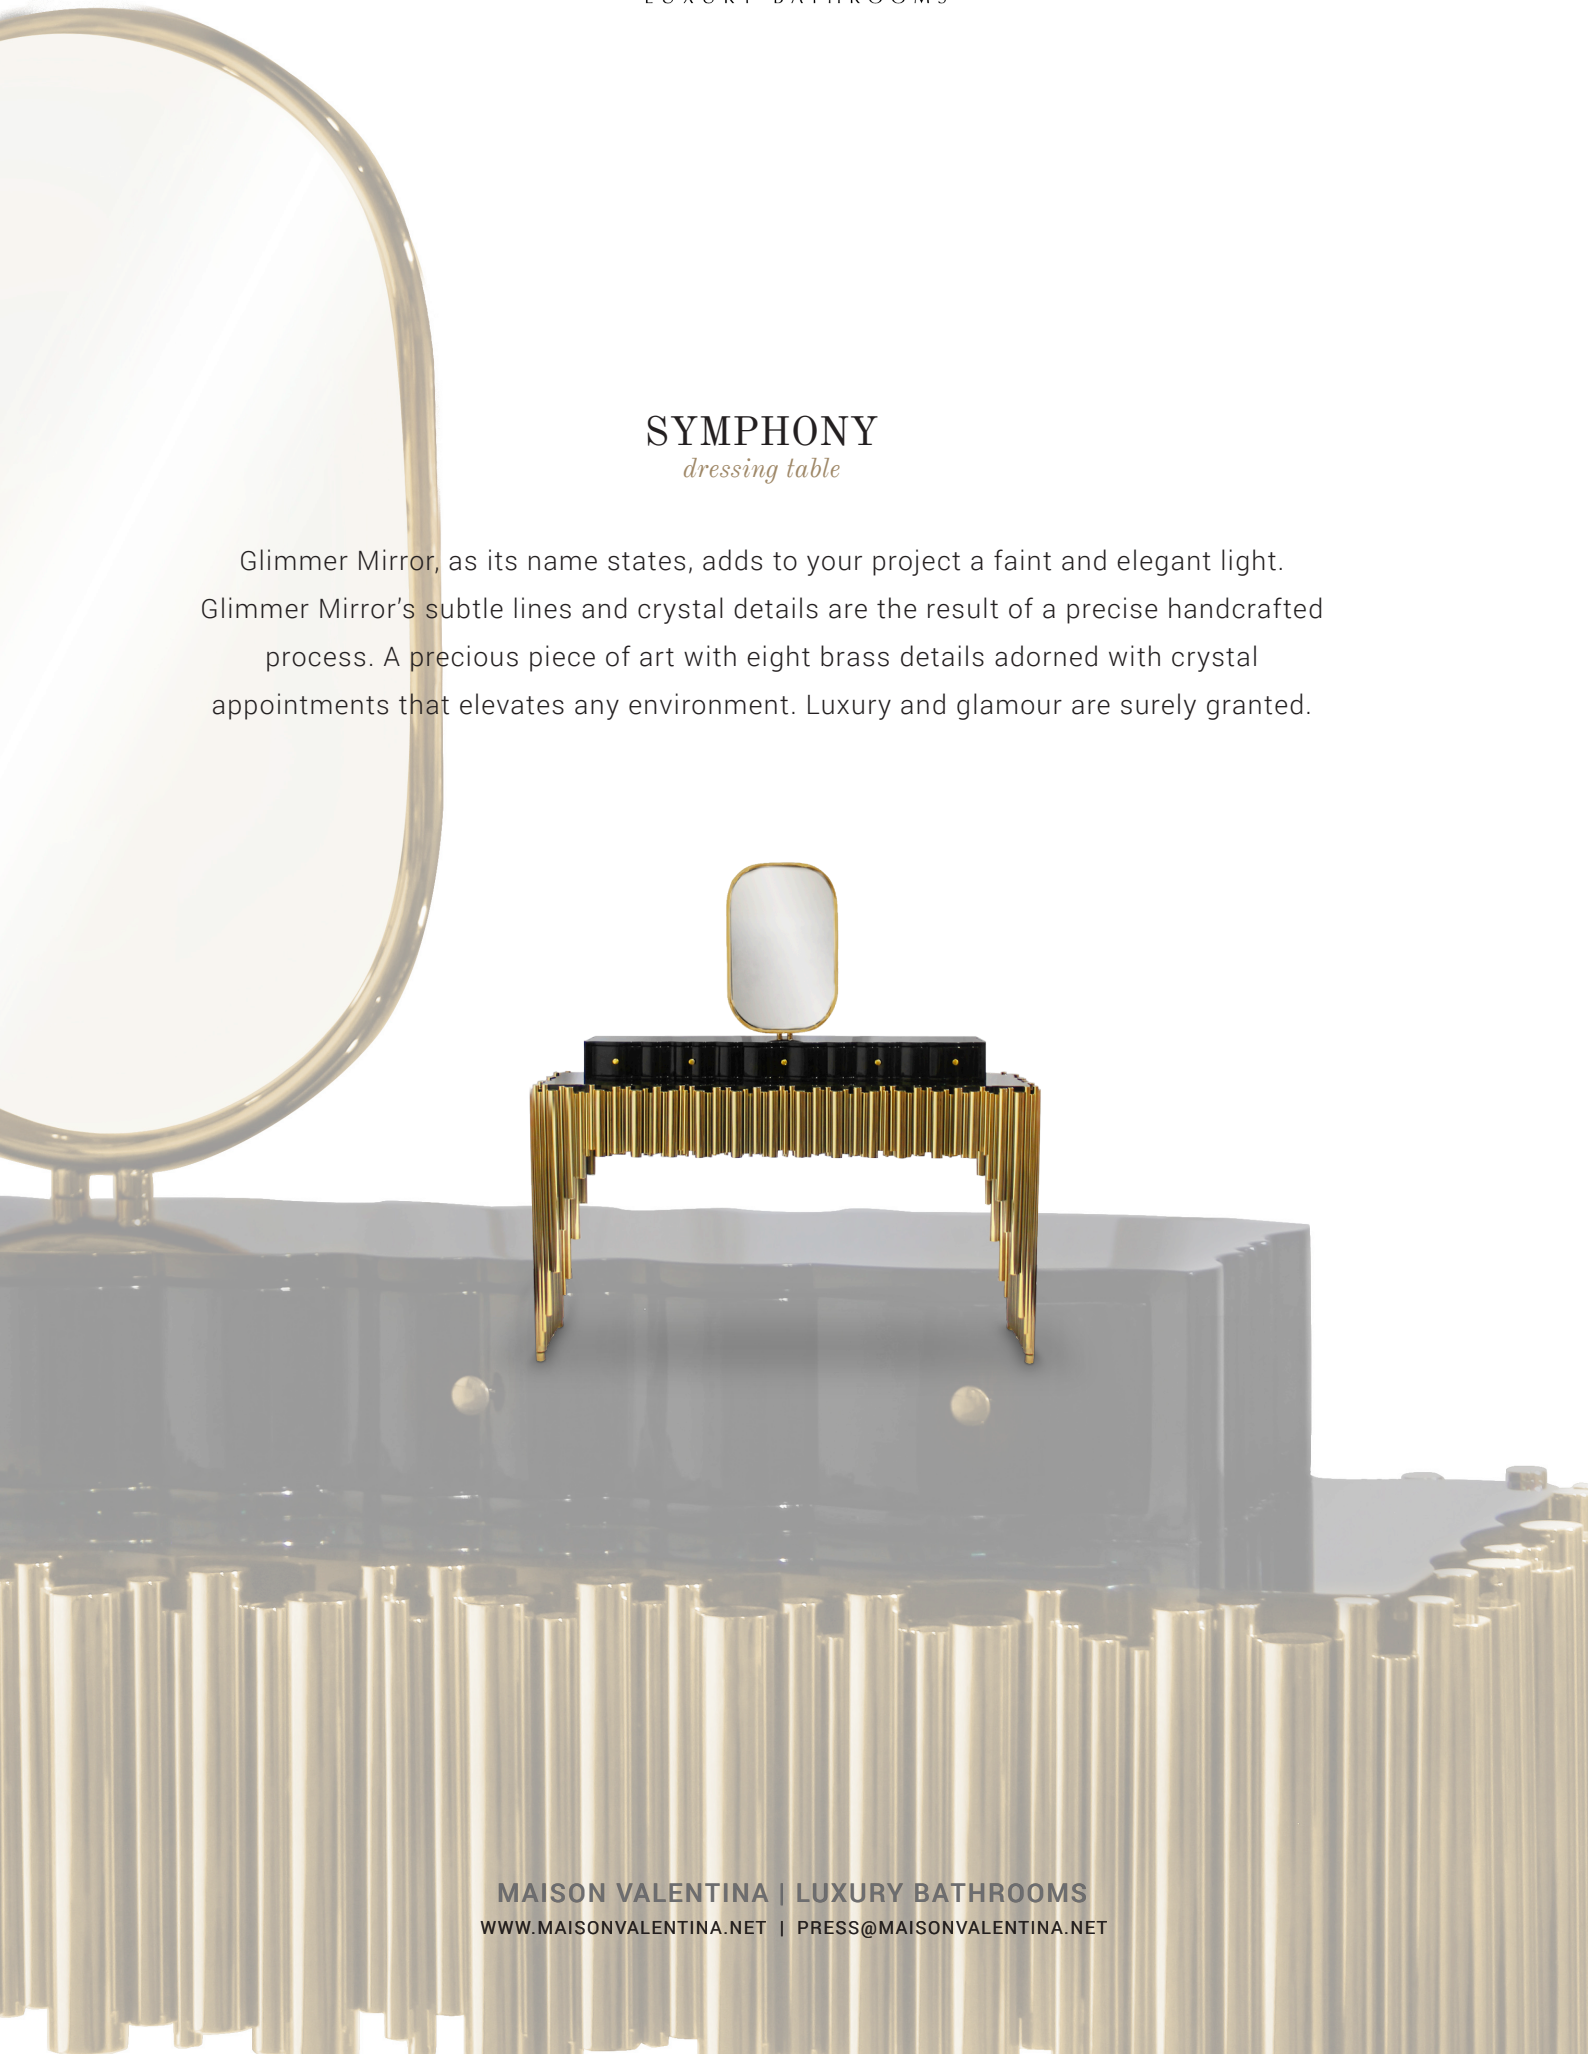

SYMPHONY
freestanding

Symphony draws inspiration from music, being wrapped by a polished brass tubular structure that resemble the organ tubes. This freestanding is handcrafted with the finest materials: it sits on a high gloss black varnish base and to complement, the sink is made of nero marquina marble, giving it a genuine style, ensuring mystery and elegance in any luxury bathroom.

SYMPHONY
dressing table

Glimmer Mirror, as its name states, adds to your project a faint and elegant light. Glimmer Mirror's subtle lines and crystal details are the result of a precise handcrafted process. A precious piece of art with eight brass details adorned with crystal appointments that elevates any environment. Luxury and glamour are surely granted.

STILETTO

bench

Stiletto is a button tufted bench upholstered in velvet. It features brass stiletto legs that are inspired by high heels, providing a sharp and sleek look to your bathroom. It has a rectangular cushioned pad accented by little sloping arms. Feminine and seductive due to its delicate lines, it's a desirable piece for any modern luxury bathroom.

TORTOISE

washbasin

For centuries, Tortoise hard outer shell has the inspiration for different pieces, highly appreciated by its decorative purposes. The reason is its beautiful patterns and colors, which make this product unique. Black, grey and golden colors shows a marvelous piece, contrasting with the golden tap and black legs. Use to create a better sense of space division in your ambiances.

COLOSSEUM

tall storage

The Colosseum or Coliseum also known as the Flavian Amphitheatre is an oval amphitheater in the center of the city of Rome, Italy. The Colosseum Tall Storage is a fusion of modernistic and classical elements which turns this into a charming design piece and a perfect storage for your exquisite bathroom products.
