HANDCRAFTED BELGIAN FURNITURE

Redesigned, with sense for nostalgia, In2wood choose to refresh elementary "old school" furniture.

The designer left out the typical table legs and added an aluminium base. These fine legs are light and easy to move. Ideal for regular changing settings in your living or kidsroom.

There is attention for every detail, the notch and pencilholder in the matt lacquered birch plywood tabletop have the same colors as the base. There is a storage space underneath the table top. The set can be cleaned with mild damp cloth.
