

With a natural scent of Nordic nature these candles represents our love for Danish traditions and our dedication to pure Nordic fragrances. It's the essence of Denmark, shaped and formed by a long history of Kings and Queens and the incredible forces of wild nature.

a nordic scent of pure nature

VALDEMAR

In the middle of the true Nordic nature where wood and fire gives light and life, you will experience the essence of Valdemar, a scent of a distant smoke rising from the fireplace into the eternity of fresh air.

a nordic scent of pure nature

CHRISTIAN

Step into the deep, dark forests where time stands still and secrets are born. Christian combines the natural scents of the forest with both the wisdom and the spirit of the old trees and green leaves.

a nordic scent of pure nature

KAROLINE

Karoline is the feeling of tender female sensuality, a delicate fragrance of wild rose flowers on a lazy, warm day in the sun, a summer memory that embraces your thoughts and lights up long, dark nights.

a nordic scent of pure nature

HARALD

The strength of nature is enormous, like a tale of a windswept and rocky wilderness. That is the essence of Harald, a unique combination of wild herbs, green moss and old wood.

a nordic scent of pure nature

INGRID

Ingrid is the magic of that one moment when blue ocean meets grey sand, a wave of fresh sea notes that will set you free and allow your imagination to wander.

Scented candles

FREDERIK

Way out west, where the gentle mist from the marsh meets the storms of The North Sea, you will find the essence of Frederik, a fragrance full of green notes and the myths of a torn landscape.

a nordic scent of pure nature

SOFIE

Imagine an evening walk in the shade of the tall linden trees above. That is the essence of Sofie, a warm and blossomy scent that will remind you of the peace of mind that follows after a long summer day.

a nordic scent of pure nature

MARIE

Marie is a small piece of authentic nature in the middle of the city. She will take your heart and mind on an inspiring walk through the life of streets and parks, a fusion of fruity and green scents.
