Champagne Caroline Collection

WOLF's adds new color to top selling collection

Los Angeles, CA: A British icon since 1834, WOLF continues to command attention in the luxury leather-goods market, designing the world's most exquisite watch winders, watch boxes, and jewelry cases.

The Caroline collection is the signature WOLF jewelry case, defined by its distinctive quilted exterior and classic design. This stunning collection features gold hardware and accents combined with supple leather in ivory, rose quartz, black, red, and now introducing its newest addition, champagne.

Timeless, beautiful, glamorous—champagne adds complexity and shine to the beloved Caroline collection.

Caroline champagne features a zip travel case, jewelry portfolio, and small, medium, large, and extra large jewelry cases. Each with thoughtful storage lined in WOLF's patented Lusterloc™, leather tassel keyring, gold finished lock, and glass mirror.

Retails: *$69.00 - $699.00*

Today, WOLF, in its 184th year, remains as the luxury solution for safekeeping and maintaining time pieces and luxury goods. From watch winders, watch storage solutions, jewelry cases and travel accessories, this family led company continues to pride itself on its unique technology, and hand made products that separate them from the rest of the industry.
