MING ABYSSES

STACKABLE TABLEWARE

Abyss is an underwater journey, that of a woman transfigured by liquid space. A daydream which takes your breath away...

The iconic Ming sports new finery to celebrate its 10th birthday and can be placed at will to show your table off to best effect and to tell your own story. Ming Abysses offers a metamorphosis, that of a woman whose mind seems to plunge into the unexpected depths of a pool. Gradually, dish after dish, a ballet starts up between the red of a cloth and the fins of a Siamese fighter.
