## MIXING DIFFERENT METAL HUES

Golden, silver and brass gives a specific contemporary appearance to the decor composition and their reflection with light are always hypnotizing. The simple geometric forms can create a kaleidoscope of twinkling lights, ornaments and contemporary shapes that spread light through this beautiful season.

So to sum up: less is more even when it comes to Christmas decoration. Be bold and innovative when it comes to colors: blue, purple or green are good choices for this fantastic year. Add a metal note to your Christmas decoration composition it will bring glamour and sparkle. And most important – enjoy and be creative, after all celebrations are coming!
