THE UNIQUE LIGHTS  
**OF PARIS**

EQUIPHOTEL 2018-ON

When they ask why is the Eifel Tower so captivating, everyone answers the same. Its beauty, its surrounding space, it's the landscape. But the most captivating thing is the light.

Light has the peculiarity of making everything even more special. More appealing. More unique. More personal. And there's no better place to Delightfull perform than the "city of lights." This year, Delightfull promises to share her light in all areas of EquipHotel 2018. With a Unique design recognized worldwide, Delightfull will show you all the power that light and music can have when they work together. With a daily preparation and improvement of techniques and works, the brand selected the lighting pieces who can and will match with the needs of the public that will visit it.

Enjoy this trip where light and music show the best of both worlds. After all, Paris is always a good idea.

## IKE PENDANT

With a Scandinavian design, Ike pendant lamp adds a modern yet industrial feel to any space. This hanging ceiling pendant can be done in different shapes and dimensions, allowing you to personalized lighting ambiance and mood. Handmade in brass and aluminum, the glossy black finish and the copper accent deliver the perfect look. Ideal for industrial kitchens, dining rooms, restaurants and bars, this copper pendant light it also looks great as a bathroom suspension lighting with a mid-century modern decor. Therefore, Ike fits practically in every style, due to its sleek shape and minimalist design.

## ETTA WALL

Inspired by the memorable jazz singer Etta Jones, this mid-century wall sconce can elevate any ordinary home decor to an oasis of sophistication and luxury. It is a handmade indoor wall light, with 12 brass leaves that are all shaped and assembled by hand, which convey a romantic vibe to any space. With a standard copper plated finish, Etta is a contemporary wall sconce with a trendy vibe. With almost 7 pounds and reaching 20 inches, this copper wall lamp is the perfect fit for either a classic or a trendy living room design, but it also suits a Scandinavian style home office in the most flattering way.

## **IKE & ETTA**

Do the opposites also attract each other in Paris? Can we try?

After all, in the city of love, everything can turn into reality. When we look at Ike and Etta, all is right and bright. Combining them in the same room would be a challenge.

But, we love challenges. He, with his Nordic silhouette and minimalist style, defies any probability of making a female and romantic figure like Etta, share the same space and make anyone fall in love with the harmony that this two can create.

Because combinations are made to happen.

### **SINATRA FLOOR**

A sculptural and versatile creation, the iconic modern floor lamp features three articulating arms handmade in brass that are flexible in a variety of different locations in order to allow you to situate the lights exactly as you need it. It has a height of 70.9 inches and sits on a brass base with a counterweight made in steel for a sleek contemporary style. This task floor lamp exudes a mid-century modern flair that will elevate your art deco interior design.

## **TURNER TABLE**

Tuner is a large table lamp handmade in brass and aluminum. The body has a gold plated finish, while the shade was lacquered a black matte on the outside and a gold powder paint on the inside, so as not to create an uncomfortable glaze for the user. Its five movable arcs can be rotated into the desired position, which gives this black table lamp a sense of fun, and allows you to create the best composition to fit your modern home decor.

## **SINATRA & TURNER**

It is quite amazing how you can bring together music and light, just picture Sinatra and Turner together to prove it.

You can only remember great songs, great deeds, great personalities. A journey in time and space. An impossible love.

An environment full of class and emotion. A unique space where nothing is boring, only special and original. Is not that what motivates Design, decoration and architecture? Make the impossible possible?

## DUKE FLOOR

Duke Ellington has been an inspiration to the world, to many artists and musicians. Therefore, DelightFULL's designers have decided to pay a tribute to this iconic jazz musician and create Duke floor lamp. With a short silhouette and a single swing, Duke floor lamp is a retro-styled accessory for every single mid-century modern interior design. Each cone lamp shade is conducted by a brass arm and its counter-weight. The matte black shades drape on the sides to reveal a white interior and it has gold plated accents at the sockets.

## HANNA WALL

Hanna is a contemporary wall lamp that will bring a smooth ambiance to your mid-century modern interior. With a structure made in brass, this wall sconce is gently covered by a gold plated bath, while its aluminum lamp shade is outlined by a gold plated and matte white finish. The on/off switch is located below the lamp shade with a stylish design for a quick and easy use. This white wall lamp can be customized and instead of having one lamp shade, you can choose to have two, in order to provide a more balanced look. With a minimalist style, Hanna wall light fixture is a luxurious addition to any space.

## **DUKE & HANNA**

Behind a great Duck there is always a big Hanna. In fact, large objects create a spectacular and imposing environment.

They work flawlessly when placed in any room. But most of the time they are accompanied by smaller, seductive objects that do not jump us at first sight. But if we look well, they can make all the difference.

Fill in the forgotten or empty spaces. Reinforce the light. And they comfort less worked areas. Duck and Hanna are like that. They are the complement of small and big decisions.

## MATHENY WALL

Magnificence is the best word to describe it. With its unique structure, it combines mid-century modern design with a classic style that will make a statement in your space. This piece can be, by itself, an object of excellence. Its lines and materials appeal to an environment full of luxury, seduction and delicacy. Perfect for the Parisian style.
