

# Discover All About Claridge's Christmas Tree 2018

**Discover All About Claridge's Christmas Tree 2018** – There's nothing quite like Christmas. Every year **Claridge's** (marking this year it's ninth that a designer was invited), the quintessentially British hotel invites a designer to design a new Christmas tree and this year the invited designer was the amazing **Diane von Furstenberg**. Von Furstenberg's has named the Christmas tree as "**Tree of Love**," and is possible to see it in the hotel lobby.

This fantastic tree, [according to the Standard](#), is decorated with six different animals, including an owl, horse, peacock, dove and mouse. In ancient astrological traditions, those beings represent knowledge, peace, strength and beauty. The animals are silver-leafed, as are 8,000 leaves. The tree also features hand-blown glass balls in blue and 150 glass hearts.
