Blue is a classic bathroom color. This color has the “power” to calm and relax. A traditional shade for bathrooms, blue can be used as an accent with many other colors or simply as the main one, this works also perfectly.

Soft Greys

Credits: Pinterest

Grey bathrooms are having a renaissance right now. They can be a really soothing shade when paired with the right hues. Most palettes work well with grey but, stick to one or two colours for a fantastic designer scheme.
