Pinterest

Cooler, gray tone neutrals will be hot through 2019, this will be a must-have palette in every house while white and warmer neutrals will be keeping a distance for now. Will you try this amazing trend?

Mixed Metal Accents

Pinterest

Adding metal accents to any room of your house will definitely light up the space (mix only two to three different metal accents). For example, brass mixes well with either oil-rubbed bronze. Silver can mix well with black-brown metals. Just be reasonable with your choices! What metal accents will you choose?

Bold Black Bathroom

Credits:

Pinterest

The spa-inspired bathroom trend has made its comeback, after all, nowadays These days it's all about bold, dark, sultry bathroom designs. Definitely an amazing bold design to try.

Accent Walls

Credits: Pinterest

Dramatic-colored or wallpapered accent walls out and single-colored walls are in. Just try to balance this trend with your furnishings and decor. What do you think?
