## *Eiffel Tower*

Although it might be an obvious location we couldn't leave it out. It's probably one of the **most Instagrammed places in Paris** and we can understand why. You can change up the location to make it more unique.

## *Musee d'Orsay*

Paris has many museums and all are perfect to take some amazing photos but if one stands out is the **Musee d'Orsay**. Besides having some of the best views in the city it also has a glorious clock that's already Instagram famous.

## Laduree Champs Elysee

Laduree is probably the most **iconic spots in Paris**. And the place looks like it came out of a fairytale with all the pastels and little details. The exterior alone is dreamy but make sure you go inside, it's also amazing.

## *Jardin du Luxembourg*

No Parisian trip is complete without a stroll through the many gardens the city has! The Jardin du Luxembourg might be one of the prettiest, with many opportunities for great photos, especially during Spring and Autumn.

## *Galerie Vivienne*

One of the oldest and most beautiful shopping galleries in Paris. Tiled floors, beautiful glass ceilings, quaint stores and delightful cafés are only some of the things you will find there. It will almost feel like you're strolling through 1800's Paris.

## *Trocadero Carousel*

Or any other carousel really. Paris has the most beautiful carousels that will take you back to your childhood. If you're not a big fan of spinning around you can always just snap some memories.
