Mambo Unlimited Ideas, a leading manufacturer of design home furnishings unveils two new upholstery designs - Luc Armchair and Chiado Settee at Maison et Objet, from 18th to 22nd January in Hall 6 Stands B26-C25.

"We are especially excited to present the new Luc armchair which is such a great addition to our seating range, introducing the trendy material cane and wickerwork on the back of the armchair. On the other hand, Chiado settee completes our settee range so well because it is such a versatile, comfortable and funky piece" says Claudia Melo, Senior Designer at Mambo Unlimited Ideas.

In every edition of Maison et Objet, Mambo Unlimited Ideas releases new products in a continuous effort of bringing creativity and high quality design to the event, adding at the same time new products to the collection which grows bigger every year.

Luc Armchair

Luc armchair is described as within a simple, compelling and effortlessly stylish aesthetic, adding a touch of classic style paired with modern finishings. This piece is an addition to the already existing Luc family.

Chiado Settee

Chiado settee is a tribute to comfort and discreet elegance. With a comfy seat and sleek structure, the combination between these two elements' finishings makes this a chameleon-like piece. It really makes a strong impression.
