Anne-Pierre MALVAL workshop:

Designed creations for an expressive light

Dedicated to highlighting contemporary interiors, the workshop Anne-Pierre MALVAL Creations designs and manufactures unique pieces or small series:

.All types of luminaires (chandeliers, lamps, lights, suspensions, columns ...)

. Originals custom lighting solutions for professionals or individuals

Anne-Pierre MALVAL uses lightness and transparency as primary material

The atelier-showroom is located since May 2017 on the houseboat Fleur Bleue, in the Bois de Boulogne in Paris.

Collective exhibitions with craftsmen, painters, sculptors and photographers are organized.

La collection Alcôve

Volumes, lines and lightness.

Work of the volume, balance in the asymmetry, pleasure of the piece by piece elaboration of original form, as light as a summer cloud.

Each piece is unique: More than design, sculpture

Halifax, 120 cm, ppc 1150 €

The collection Alcôve

Volumes, lines and lightness.

The Ratnapura is a reworked Kraft which offers a beautiful ambiance light with glimmering aspects.

Tinted, it produces disparities in matter and offers remarkable shadows

XXL, 95 x 75 cm, ppc 930 €

The wall sconces Alcove

For pop creations

On a support in colored PMMA, in wall or ceiling, these luminaries create a deco as light as affirmed for pop creations

Wall sconces/Ceiling Rosace, dia 50 cm, Ppc 540 €

The columns Alcôve

indoor totem

The King Kong and Totem light sculptures are unique pieces where the taut lines of the supports (black steel, patinated steel or gold leaf) contrast with the free curves of the lampshades

200 x 45 cm, Public price 1930 €

The chandelier Alcove

praise of simplicity

Take a circle. Fold it in a triangle. Put it together to get an icosahedron :

Here, we are not looking for cloud's fantasia anymore, but for sphere's rigor.

BOUQUET BLANC, PERLE PAPER, 7 x DIAMETER 22 CM, PPC 840 €
