10

years

# 2008

The start of a ten year ride that we are now celebrating. The ten year anniversary of **timeless design**, of **timeless pieces**.  
The start of a brand new vision when it comes to lighting design, a brand new way of experience luxury.  
**DelightFULL**, always ready to make your design projects, is celebrating this wild ride – with you.

# Important Marks

**DelightFULL** is all around the world. With that in mind, this comes as no surprise that it the brand has some interesting marks to share! **Let's get on board** with it.

# Achievements

DelightFULL is present in blockbuster cinematographers that changed people's lives. A coming of age, the lighting pieces are displayed to create the mood of a scene or to make you embark on a design set of luxury.

## 50 Shades of Grey

The book trilogy transformed into a cinematic piece has established itself into people's lives like oxygen. Find all the lighting designs of DelightFULL here!

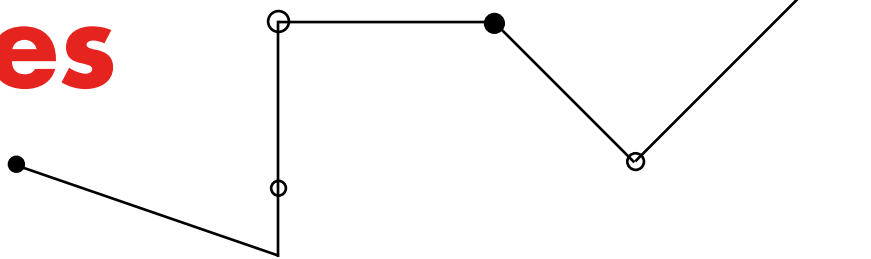

## Luke Cage

Not all superheroes are born with light. Luke Cage, Netflix, is a storm of life itself. But even nature needs some touches of luxury. DelightFULL, always a star, made sure to set that straight - find it all here.

# Iconic Pieces

Timeless pieces come from the heart and the mind of our design studio. Always ready to make a lasting impression, these 10 lighting pieces are here to make us remember the all time icons of jazz and the style that never really goes away. With **two collections** in the works, we made sure to select just the right ones when it comes to making a statement.

## Botti

One of the iconic pieces of them all, **Botti** is the one to cause an impression wherever it appears. A one of a kind floor lamp, **Botti** is the one to go to when you want to make your design project be as outstanding and outrageous as any.

## Sinatra

The first piece of them all. This tripod floor lamp is as iconic as it gets. A perfect combination between simplicity and style, **Sinatra** shows us that even 10 years later, it still has what it takes to turn any design project.

## Pastorius Wall

**Pastorius Wall** sconce, the industrial chic style that adorns this lighting piece is just what **DelightFULL** has to offer. A merge of Styles that go hand in hand in any collection, **Pastorius** is one of the icons.

## Duke Floor

The floor light that everyone stops to see. The design of this floor lamp has that one of a kind feeling of being in a brand new environment to a room.

## Amy Floor

Inspired by the icon of jazz, this vintage-inspired lamp has all the characteristics to dazzle anyone. One of the icons, the simplicity and style of this piece makes anyone turn around.

## Diana Table

The bestseller present in all of the trade shows, this is the piece that it's easy as breathing to design and handicraft. This timeless piece of design with an easy ensemble proves that you don't need.

## Turner Table

The iconic movements and the fine lines of this table lamp design is something worth having. One of the iconic pieces of the Heritage Collection, Turner lights up any room it steps in.

## Galliano Wall

An icon when it comes to lighting design, this wall sconce allows any room to have that special lighting effect. It's not coincidence that this wall lamp is one of DelightFULL's top bestsellers.

## Coltrane Wall

An icon of minimalism, this wall light is one of the best sellers. An icon of style, this wall sconce is made to ensure that any room is filled with the utmost stylish element.

## Graphic Collection

Born out the creative minds of Las Vegas, this marquee letter design is one of the most coveted of them all. A brand new of experiencing light and letters.

# Tradeshows

Although we've been all over the world, trade shows are an important mark to **DelightFULL**. From the USA to Russia, we've been anywhere and everywhere. These are some of the most important ones we make sure to be in to show the world that the mid-century is endless.

## Maison et Objet

One of the biggest tradeshows of them all, **Maison et Objet** is one of the brands marks. Not only to prove that the brand has been making a statement every year that it returns, but it also has a lot to learn.

# iSaloni

The trade show that sets the trends in interior design, this trade show is one of the landmarks of the brand. Always exciting, DelightFULL is always present with novelties and always ready to meet the expectations.

## EquipHotel

Entering the contract world, the mid-century lighting brand entered the world of contract with this trade show. Focused on bringing craftsmanship to the highest level, this is proof that DelightFULL is always learning and growing.

# Press

**Press** is one of the most important channels to do the Brand Communication, we connect to journalists worldwide, we're present in magazines and blogs around the globe. For that reason we're able to be connected, to have people interested. For **DelightFULL** the press coverage around the world is something really important. To get closer to our audience but also to show the world our work, under each name that uses our designs as something with value, to see and to spread around.

We work hard to provide you all of the best press materials visually, and by publishing **DelightFULL's** press material we will spread the word in our social media, blogs, and use it to also promote our press partners...

# Projects

## Vogue Café - Paris & Berlin

Enjoying a cup of delicious coffee has never been so easy. Pair that with light cuisine in an effortlessly chic environment with some of the best lighting designs of the mid-century style is even better. DelightFULL has the pleasure to be in two Vogue cafés, satisfying the urge, of luxury and style.

# Ladurée

The French brand also fell in love with one of the loveliest mid-century designs from DelightFULL. Grab the opportunity of having the best of the French cuisine as well as having the company of Madeleine lamp.

## The Paramount Hotel

The cosmopolitan way of living is right under our noses in The Paramount Hotel. Near Times Square, this hotel is proof that the mid-century style is always a must. With one of the brand's bestsellers, this is the place to stay – not only for the luxurious feeling but for the experience.

# Heritage

Honouring and elevating the lost arts and crafts that are long forgotten, **DelightFULL** proud itself for its 10-years experience in the world of craftsmanship. Aiming to honour our craftsmen and our clients, this is our way of paving a better future, of honouring our history.
