***“THE MOST UNIQUE AND REFINED JEWELS FOR
YOUR HOME.”***

Design is the ultimate form of liberation, it turns ideas into reality.

Craftsmanship is Pullcast’s main language, crossing the world of design and jewelry only leads to a path of exploring new aesthetic approaches with architectural and artistic influences.

Featured in this project, Nouveau drawer handle and Flow door pull from PullCast's Earth Collection, conquer sensorial experiences rich in heritage and meaning.

Nouveau drawer handles present in the kitchen's furniture, immersed in modernity and fluidity, were inspired in the Art Nouveau époque.

An époque full of distinction and luxury, portrayed in this organic shape element full of refinement. Nouveau is a handcrafted cast polished brass drawer handle.

WUX's team made a mix of shapes, and materials. Putting together materials like marble, living coral upholstery and brass details present in the hardware pieces.

The materials combined create a perfect harmony between all elements of the kitchen.

For the kitchen's cabinets, WUX Luxury Furniture choose Flow door pull, an elegant and stunning door hardware. Possessing a natural and invigorating way of movement, Flow mid-size door pull presents an organic shape decoding sophistication and personality. Enhancing this kitchen ambiance with its strong character and unique shape.
