PRESS KIT

Spring - Summer 2019

Essix invites you on an insular journey under the sign of the sweetness of life. A collection inspired by the sea in its most dreamlike state. Sea beds, beaches, lagoons and mythology, many wonders conducive to escape. The colours are sweet and fresh. These pastel tones will be enhanced with associations of sunny or vitamin colours. A wave of one-color, bicolour and semi-plain brings another dimension to the collection, reflecting on current trends.

Embark on a cruise to the gates of dreams...
