

NOUVEM - ACCENT CHAIRS.

In accordance with her concept of “combining the traditional with contemporary design” Eva has designed and developed this stunning accent chair. It is produced in Portugal in solid craftsmanship. The cover is hand-sewn, appears very soft and is made of hardwearing loden cloth produced by wool manufacturer Burel Mountain Originals. The corners and edges have been rounded down giving the accent chair an appealing harmonious appearance. There isn't a more inviting and comfortable chair than this – lean back and enjoy.
