BATHROOM TRENDS 2019

MAISON VALENTINA PRESENTS THE PERFECT HUES
YOU CAN'T MISS

Summer 2019: The sun and good weather is coming, a desire to face the future with empowering colors that provide confidence and a new spirit; colors that are uplifting; joyful hues that lend themselves to playful expressionism and take us down a path of creative and unexpected combinations. For this season, vibrant colors without being overpowering, highlighted shades illustrate the desire for authenticity and a continued need for creativity and relatable.

There is no secret to refresh your bathroom interior design, just follow this color trends: choose one, add to your project with small details and you get a breath of fresh air or, if you are bold, mix some of them and get a 'wow' effect!

Take a look at Maison Valentina's suggestions and choose your favorites, or just all of them!

EMBRACING NATURE

A clean white Powdered Sugar brightens a cool landscape of nature's blues and greens with a tangy Lime Zest infusing an additional burst of color freshness.
