Maison Valentina's main goal is to offer comfort and luxury allied with magnificent and bold designs. – They have gathered the most gifted professionals from various fields, in order to design luxury bathrooms that are tailored and handmade so that each customer can have the most high quality piece possible.

Exclusiveness is also of big importance to Maison Valentina when crafting their luxury bathrooms. Their ambition to always be better allows clients to customized and tailor their pieces. The result of so much talent and craftsmanship is a luxury bathroom that is both aesthetic and functional.

With Maison Valentina you can build your bathroom from scratch or simply remodel it. No matter what you decide, the result can one be one: inspiring.

Tortoise Suspension Cabinet

The black, grey and golden colours in this [***Tortoise Suspension Cabinet***](#) are harmoniously blended and are as expected inspired by the hard outer shell of a tortoise. It's the perfect combination between an elegant design and foolproof functionality. The cabinet also includes two spacious black lacquered drawers, as well as a lateral shelf.

Lapiaz Suspension Cabinet

Inspired in the typical karst formations produced by the dissolution of limestone rocks, the Lapiaz Suspension Cabinet is that statement product that will stand out in your bathroom! It features rich interiors which are enhanced by the polished brass.

Huang Suspension Cabinet

Inspired by the impressive Huang mountain range in China, Maison Valentina created the *Huang Suspension Cabinet* which is the element to make any bathroom more luxurious. Featuring walnut root veneer on the outside and rosewood veneer in the inside, this piece brings instant character to the modern and functional interior design.

Petra Towel Rack

Yes, this *Petra Towel rack* really is inspired by the City of Petra. The hand-carved block of Carrara Marble fuses with the polished brass tub, making this statement product, the perfect one for those looking to get a contemporary furniture design piece that combines the old with the new immaculately.

Symphony Oval Bathtub

The gold plated brass tubes bring the luxury element to this piece, making it one of elevated design. The *Symphony Oval* design features a tub which is made of white fiberglass giving it a clean look perfect for any luxury bathroom.

Lapiaz Marble Freestanding

Lapiaz Marble Freestanding is inspired in the typical karst formations produced by the dissolution of limestone rocks. Its high gloss black lacquered interiors are enhanced by a silver plated tear and a vessel sink produced in the finest Nero Marquina marble. Another statement piece for any luxury bathroom.

Lagoon Vessel Sink

Inspired by the beauty of the Seven Cities Lagoon in the Azores and the majestic surrounding landscape, Maison Valentina created the *Lagoon Vessel Sink*. It is made by a single block of Estremoz marble crafted by the hands of the artisans.
