

40 YEARS!

R&M COUDERT LIGHTS

Children's room lights up
with magic and poetry!

R&M
COUDERT

Luminares pour petits & grands depuis 1979

Hall 2 - Booth I78

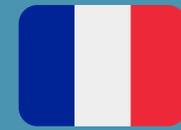

French light designer and manufacturer since 1979, R&M Coudert proposes ceiling lights dreamly collections to decorate child's bedroom with fantasy. Adventure universe, poetic atmosphere, magical bestiary, these lights with original design watch over the children and create a soft and comforting atmosphere, conducive to daydreaming!

Design & Quality

made in France

"Cocorico" for the deco !

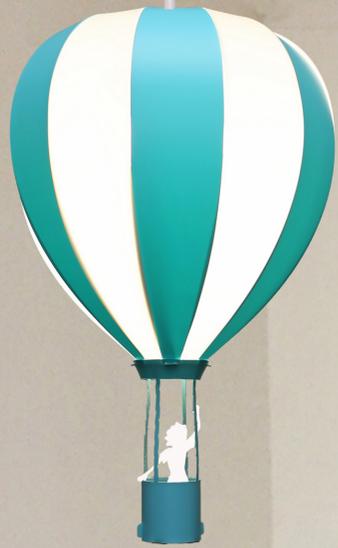

R&M Coudert lights are 100% made in France, all our models are exclusive, copyrighted and all designs are registered !
They are compliant with CE regulations, tested by an independent and certified testing lab (Laboratoire Pourquery, Lyon, France).

The lights are in Priplak® material, a high-class and ecologic 100% recyclable plastic. Sold flat, they are self-assembly easy to assemble.

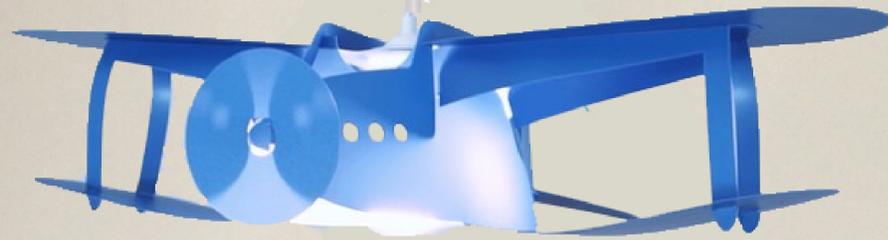

Cap to Adventure!

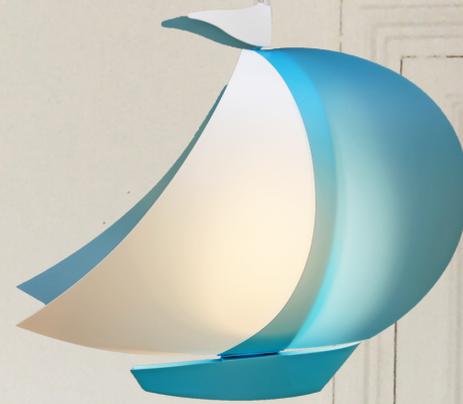

These lights invite to travel, on the sea or in the air !

The air balloon

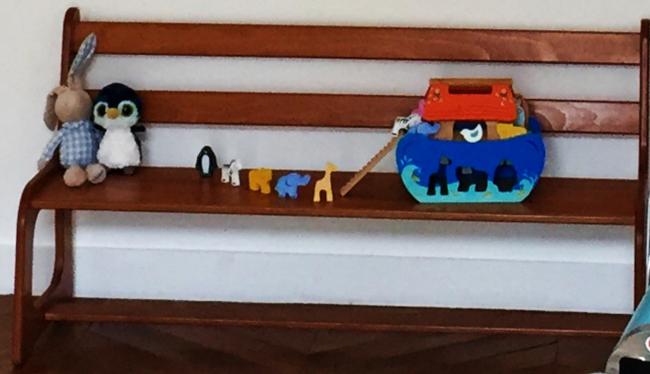

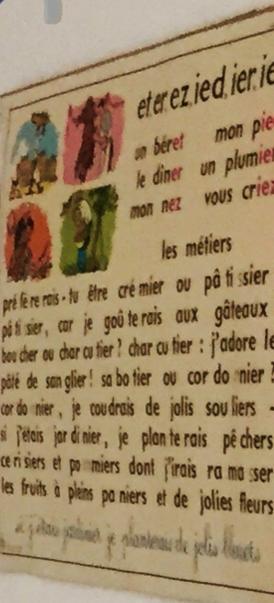

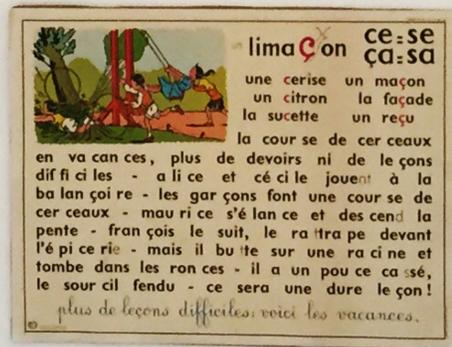

The plane

The boat

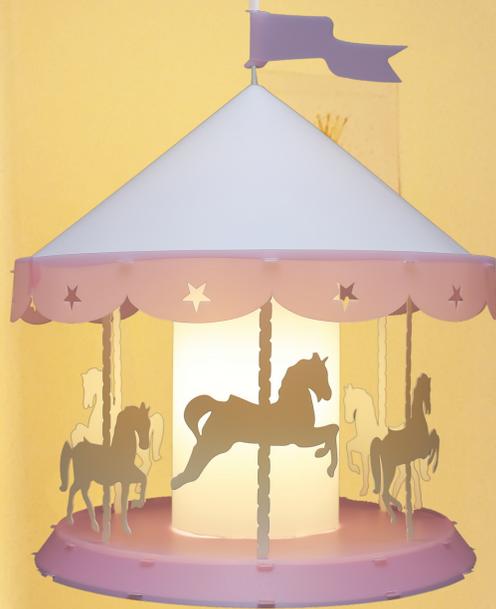

The helicopter

A wind of poetry...

breaths out the child's bedroom !

The carousel

The fairy

The bird cage

The butterfly

Fantastic beasts!

For an exotic touch in decoration

The monkeys

The elephant

The dove

The owl

Once upon a time, 40 years of passion...

Spring 1979 :

Michel and Rosemonde Coudert, couple of creative and passionate craftsmen, decide to install a workshop in their garden of Aulnay-sous-Bois and start to create small wooden decorative objects

The brand Rosemonde and Michel Coudert® is born!

Rosemonde et Michel Coudert

1983 :

Rosemonde and Michel take part at the first edition of "Ateliers d'Art" exhibition which will become *Maison&Objet®* in 1995

1990 :

To complete their wooden creations Rosemonde and Michel start to create lights for kids

1998 :

1st collaboration with the brand Priplak® polypropylene specialist, high-end plastic Made in France and 100% recyclable.

2000 :

Creation of the Airplane ceiling light in Priplak® which will become the iconic model of the brand.

2004 :

Since its creation, always present twice a year in January and September at the Maison & Objet® show in Villepinte.

2015 :

A chapter is closing...

After more than 35 years of creations Rosemonde and Michel hand over. The R&M Coudert® adventure continues in a new workshop in Clichy.

New chapter...

new visual identity

new creations

Today...

While preserving the identity and philosophy of *R&M Coudert®*, with a new team, a modern breath is brought to the brand.

MAISON
&OBJET
P A R I S

Always faithful, since the first edition, to the great event of design: *Maison&Objet®*.
