CASHMERE GOES POP

New collection Autumn Winter 19/20

This is the comeback of MADLUV
for the new season AW 19/20.

The brand of cashmere offers a large range of jumpers, cardigans, jackets inspired by biker jackets and even a streetwear trousers, all in a cashmere from Inner Mongolia.

In this new collection, we always find the famous inscriptions to inspirations pop, music and design. A very rock collection to face the winter smoothly and in color!
