

MADLUV

CASHMERE GOES POP

MDLV, The capsule collection of MADLUV

MDLV is the MADLUV 's little sister, this capsule collection renewed each summer is composed of pieces in linen jersey and cotton. This clothing line makes it possible for the cashmere brand to offer some new matters when the temperatures rise on the barometer !

Every piece from this rock & Luv capsule collection boasts a message, that one makes reference to the great rock tracks, will you recognize them ?
