

# HERITAGE GENEVE FEATURED IN HOUSE & GARDEN UK MAGAZINE!

## Chelsea Garden Cushion Featured in the House & Garden Get The Look Page!

Heritage Genève is absolutely thrilled to be included on House & Garden magazine's July 2019 issue. This month they are featuring the winners of House & Garden awards and a host of beautiful interiors, home decoration ideas and gardens. Our limited edition Suzani / Ikat Chelsea Garden Cushion was recommended in a get the look page! The hand embroidered suzani cushion was inspired by one of the most iconic and colourful London locations. A huge thank you to you; our kind and trusting customers and the House & Garden magazine editors. We appreciate the support!
