SS19 Infant

Royal Black Invest S.A. is a Spanish Fashion Brand with more than 35 years of experience in the Kidswear Fashion world.

We specialise in design Kidswear garments, and accessories (0 months to 16 years); and the manufacture process.

We have two different lines, with a different kind of price range.

-The first line is our own collection Petit Alo. The most important in this line is the good mix between trendy clothes, and the excellent quality search. The range of price of this line is medium-high.

-Our swimwear collection has different kind of products as swimsuits, towels, caps,...all you need to enjoy the beach.

-Another is the collection of homewear, and accessories for babies. We have a line of products for the crib, as sheets with different prints very dynamic, and fun. And another as trolley sacs, padded nest, blankets,...

We have a wide experience in promoting other brands, and big fashion retailers. We collaborate in design and manufacturing the collection following their needs (as Inditex, El Corte Ingles, Carrefour,...)

OUR KNOWLEDGE FOR THE TRADITION

We are a company with more than 18 years working in Children's Clothing sector (0 MONTHS TO 16 YEARS). We are currently working with big companies on the fashion sector, and also with our own brand Petit Alo.

With all our experience in childrenwear fashion, we have decided to launch a new line for Spring-Summer'19.

We have created a trendy line without losing the spirit of the traditional childrenwear fashion.

SS19 Infant

LUXE LINE

We have developed this line for special occasions.

In this collection, the clothes are more special giving more importance to the details, tendencies, and qualities of the fabric.

OUR PRICES

In Petit Alo, We work two lines, with different price range.

- The first is our own collection, with the brand Petit Alo. In this collection we look for the last trends, and the best qualities. The prices are medium-high.

- The other line is intended for big european fashion brands. The price is low-medium.

FOLLOW THE LAST TRENDS

Our knowhow to follow the last trends, design our own prints, select, and manufacture our own fabrics, made PETIT ALO be in the first line.

We have the creative department of illustrators, who create the prints of our collections.

We are looking always for the perfect balance between the classic style, with the last trends of colours, and prints.
