MANUFACTURE FRANÇAISE

New Launches Maison & Objet September 2019

MASSAGE BRUSH

To be used for your massages and exfoliation, a real tool for your well-being ! These brushes will make your skin soft and smooth by scrubbing and stimulating your blood circulation.

With two versions, either heat-treated ashwood or beechwood, our new massage brushes are comfortable to use thanks to their weaved strap and their large size.

Massage brush - Tradition : Natural beechwood – white hog bristle – weaved strap-
stainless steel staple - Dimensions : 11.5 cm x 8 cm x 5cm - Prix : 14,90€ - Reference : 7050

Massage brush - Héritage : Heat-treated Ashwood- white hog bristle – weaved strap-
stainless steel staple - Dimensions : 11.5 cm x 8 cm x 5cm - - Reference : 7051

ECOLOGICAL SEA SPONGE

The ecological mediterranean Sea Sponge is hypoallergenic soft and highly absorbent. It is ideal for baths, cosmetic use for all types of skin, in particular for sensitive skin and baby care.

This sponge is unique by its shape, you will never find two alike. 100% natural and biodegradable. It has been caught with the greatest respect in the deep seabed.

Ecological Sea Sponge : Dimensions : Variable - Reference : 7240

Gift box Tradition- Andrée Jardin X Fer à Cheval

The soap holder and the Nail Brush are made of natural beechwood and proofed with beeswax.

The nail brush is made with white hog bristle and is inspired by our grandmother's toilet bags

It is a perfect match with the vegetal Marseille soap. This soap has been manufactured by the oldest Marseille soap factory in France. They carefully choose natural, eco-friendly ingredients and pass on this know-how from generation to generation.

Gift Box – Tradition : Natural waxed beechwood– white hog bristle- Vegetal Marseille soap.
Dimensions : 12.5cm x 9cm x 9cm - Reference : 7040

Sneaker Cleaning Gift Box

The Sneakers kit contains all the tools you need to take care of your favourite sneakers and other shoes : a Nylon brush to deep clean everywhere, even in the eyelets ; a two-faced sponge, white to delicately clean the top of the shoe and orange for the soles and stubborn stains. The kit is completed by a gentle soap and a waterproofing and stain-protecting spray.
