

GIFT IDEAS THAT LEAVE A MARK
*Design and precious colours give life to
new items by Bugatti.*

Beautiful, functional gift ideas with a captivating design. For a day to remember, but also to decorate the table and the environments of the house with taste and creativity. Products that evoke emotions, to leave a tangible memory as a gift to all those who participate in an important event in their lives.

A unique, refined, and quality mix that interprets the trends of the moment through new products and iconic objects proposed in original colours that will leave a mark.

Transform an everyday tool into a very beautiful gift idea full of meaning: **Lino, the bottle opener** born from the creativity of Alessio Romano. An iconic, enjoyable and funny object that resembles the shape of a little goldfish, symbol of luck, vitality, strength, and fidelity in marriage, rich in meaning in several cultures, made of zamak, it is elegant in the chrome version, precious in the 24kt gold plated one.

Many new items from the **Kiss line**, a reference to love and happiness with its kiss-shaped design. For the line, designer Teseo Berghella creates the **Kiss Honey Spoon**, ideal for taking and spreading honey on tasty slices of bread or mixing it inside a hot cup of tea, and the **Kiss Take&Spread** spoon, essential accessory for jams and cheeses; both entirely made of acrylic with mother of pearl effect. For ice, sweets, and sugared almond, he instead presents the **Kiss Ice and Confetti Tongs**, made of stainless steel.

The brand-new **Kiss Special Moka Spoons** enrich the line. Symbol of love par excellence, the heart is the protagonist of the homonymous **Cuore moka spoon**, while the shape of the tea and moka spoons for sugar bowls inspires the **Sassolina moka spoon**. Both made of stainless steel. Special shapes also for the **Kiss Moka spoons** and the **Kiss Aperitif Forks**, in the two versions made of polished stainless steel and 24kt gold plated.

The **Kiss Pizza Cutter** and the **Kiss Peeler** made of zamak and stainless steel are now also offered in the new 24kt gold plated version, as well as the **Kiss**

BUGATTI
ITALY

Salad Tong with handle in three beautiful colours: white, red, and black; one face with chrome finish and the other one 24kt yellow gold plated.

The **Aladdin Cutlery** line, already unique in its kind for width of range and colours, is enriched with new special pieces. Here are the new "**Cuore**" and "**Mokino**" **Moka spoons** and the **aperitif Forks**, made of 18/10 stainless steel with mother of pearl effect ivory acrylic handle.

Finally, if 'pink is the new black', Bugatti does not miss the trend of the moment and dresses the **Lola Corkscrew** and the **Kiss Salad Tong** in pink.

*Today **BUGATTI** is an internationally known and appreciated brand, present in over 100 countries all over the world and in the most prestigious department stores such as La Rinascente (Italy), KaDeWe (Germany), Galeries Lafayette (France), Harrods (England), Neiman Marcus (USA), Sogo (Hong Kong), Rustan's (Philippines), Lotte-Hyunday (South Korea), Parkson (Malaysia), Blue Salon (Doha Qatar).*
