## Ashleigh & Burwood Introduce New Floral and Festive Lamp Fragrances for AW19

This season home fragrance experts Ashleigh & Burwood's latest additions to their signature line of Lamp Fragrances explore the great diversity of floral scents, from the darkly indulgent Black Orchid to sweet, soothing Parma Violet and joyful Rhubarb & Rose. Available in 250ml and 500ml sizes, **Black Orchid** blends the heady scent of velvet orchid flowers with succulent black plums and cassis to create a deep, decadent finish. Gentle **Parma Violet** creates a comforting, nostalgic mood with its blend of fresh violet, powdery iris and velvety lily. **Rhubarb & Rose** is a joyful, fruity concoction, where tart rhubarb meets sweetly fragrant rose.

In addition, ringing in the seasonal change to Ashleigh & Burwood's Fragrance Lamp collection are two new festive 500ml Lamp Fragrances. **First Day of Christmas** captures the excitement and joy of the season with its rich, warm scent of sweet pears spiced with nutmeg and cinnamon and delicious blackcurrant. **Midnight Snow** blends delicate white rose and silver birch to create a sparkling, romantic scent, evoking a moonlit landscape of untouched frost.
