

**FOLLOW YOUR DREAMS,
THEY KNOW THE WAY**

The one-liner we started with in 2012, still inspires us today. We are Tinne+Mia, enjoy the little things of life. We never stop dreaming. Are a graphic designer, product designer and stylist in one. Have a weakness for paper, fabrics, graphic prints and outstanding typography. We don't just design dessins, but tell you fascinating stories in tangible form. Tinne+Mia let you smile because life is more beautiful with original 'feel goods'.

Stationery, planners, bags and more. Everything with a French Joie de - classic, yet cheeky - and a sturdy Scandinavian twist. The designs show a lot of detail and tactility. They are surprising, innovative and everything (from agenda to bag, card to notebook) fits together. The new collection is available from 1 september 2019 (starting at €8,99 for a set of Notebooks)

WANT TO SEE & FEEL THE COLLECTION?

The new Tinne+Mia collection is going to be introduced at ShowUp in Amsterdam on 1 and 2 september (E.276) and Maison&Objet in Paris from 6 to 10 september, Hall 1, Stand B114
