

*BOLOGNA, ITALY* – Cersaie, one of the **best bathroom events** will return to Bologna next month and open its doors with more than 900 exhibitors from 40 different countries. The world's biggest international exhibition of ceramic tile and bathroom furnishings will show the latest products and designs in the sector and Maison Valentina could not miss it.

This tradeshow is one of the **best bathroom events** internationally and will take place on 5 days from Monday, 23rd until the 27th of September. The five-day, now in its 37th year, will include product exhibits, training courses and a variety of social and networking events.

The wide range of products that are exposed at *Cersaie* cover all the new design trends of surfaces and bathroom furnishings. The most important international companies in the industry are always searching for the **best bathroom events** to show their innovative products, materials, shapes, and technologies and this fair is, without doubt, the best opportunity for them.

It is the first time of Maison Valentina at *Cersaie Bologna* and the bathroom design brand will be exhibiting new products and sharing its beliefs about *interior design trends*, luxury bathrooms, and functionality.

“With the debut of the brand at the fair, our main goal for the creation of this stand was to be able to convey the value of Maison Valentina, through different environments and styles, with the design of each of the products/families present” says the head designer of the brand.

For *Cersaie 2019*, Maison Valentina will have new products that have never been seen before as well as new products launched this year, as the [Symphony Oval bathtub](#), [Huang Suspension Cabinet](#) and [Diamond Vessel Sink](#) in marble emperor.

Marble and gold are going to be on the main environments; however, the brand is going to show how it can be perfectly integrated with different designs and bathroom trends, from mid-century to contemporary and modern style.

At this time of the year, Cersaie, one of the best bathroom fairs will transform Bologna into an international convention center, where architects and interior designers from all over the world have the opportunity to be inspired.
