A New Selection!

MAOMI at the trade fair MAISON & OBJET 2019

We are pleased to be represented with a total of 5 MAOMI products among the particularly noteworthy trends & news in the design area of MAISON & OBJET 2019. MAISON & OBJET is the most important international trade and public fair for home decor, interior design, architecture, lifestyle and trends.

From September 6-10, 2019, curating interior designers Elizabeth Leriche and François Delclaux will present selected MAOMI products in their special exhibition areas. They create visions of design and space with their favourite items. We are proud that our new MAOMI designs are met with great interest even before being presented for the first time in Paris.

MAOMI was awarded for the Wall Installation HOOKS and the Porcelain Series KAYA TINY as well as for the Cushions LINEN, Throw IVA and Cutting Board BENNY.

Elizabeth Leriche, CEO and founder of Bureau de Style, Paris

Elizabeth Leriche returns to this year's MAISON & OBJET as a curator in HALL 4 where you can find her exhibition CARE on four conceptually connected single exhibition spaces. CARE deals with the value of tangibility and persistence in our accelerating present times. Leriche explains: "We are in search for tranquillity in those increasingly virtual times".

We feel honoured to see our wall installation HOOKS, our cushions LINEN and a new design of our throw IVA being incorporated into Elizabeth Leriche's exhibition.

François Delclaux, director und founder of ,Un Nouvel Air‘

Interior Designer François Delclaux has dedicated his exhibition SHARE to the new possibilities and innovations that lie within tableware and its use in the gastronomy and hotel sector. From minimalistic design to expressive exuberance, Delclaux and his team from "Un Nouvel Air" discovered an enormous potential for contrasts in the medium of tableware.

We are delighted about François Delclaux having selected our porcelain KAYA TINY as well as cutting board BENNY to be a part of SHARE. The exhibition can be found in HALL 3.

You will find our stand at **MAISON & OBJET** from **September 6-10, 2019** in the area **Signature: Unique & Eclectic** in **Hall 5A stand P31**.
