

Pikoc

The logo for 'Pikoc' is a monochromatic brown design. The word 'Pikoc' is written in a classic serif font. The letter 'o' is replaced by a stylized swan, with its neck curved upwards and its tail feathers pointing downwards. Below the swan's tail are three stylized leaves or petals arranged in a fan shape.

-PARFUMEUR DU QUOTIDIEN-

What if housework became a pleasure?

WELCOME TO OUR ADVENTURE

While taking the code of high end perfumery,
Pikoc wants to **disrupt everyday life.**

Pikoc is a brand of everyday products that makes your home unique through a collection of high-end fragrances developed by passionate people.

By adopting the codes of exceptional perfumery, Pikoc moves deeply the world of household.

We want to transport you to a world still unexplored in household products: the pleasure.

Although the perfume is the heart of our project, we do care about the ecology and the know how of our country by presenting a brand environmentally friendly and products **MADE IN FRANCE.**

OUR STORY

This adventure is above all a story of friendship that began on the benches of the École Supérieure du Parfum located in the heart of Paris.
We had a common dream : perfume your daily life.

Cécile

Marine

Passionate about fragrances, we found a lack of olfactory creativity in household products. The sense of smell is the most connected sense to memories and pleasure.
Thanks to smells, we want to give a dose of good mood in your everyday life!

The peacock has inspired us the art de vivre, elegance and diversity we offer with Pikoc products !

We are epicureans, we love good things and we enjoy them, so why not create them?

THE COLLECTION

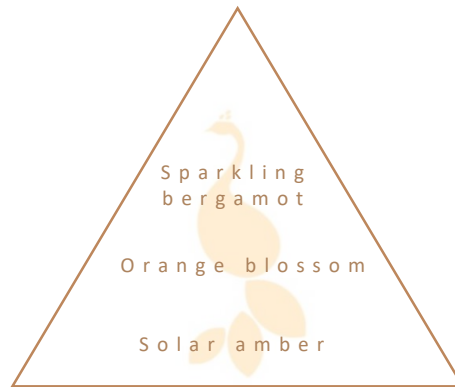

We introduce ourself as Perfumer of the daily life to bring pleasure into the world of household.
Enjoy a collection of three fragrances through our products.

Éclat d'Iris

Elegance, beauty, sobriety, this fragrance speaks for itself with a downy fresh smell.

Oranger en Fleurs
